

Who is Casa container Rd 3 bedroom shipping container home?

Casa Container RD 3 Bedroom Shipping Container Home is born from the intimacy of its owner with metallic structures: metallurgist by profession, dreamed of acting in the construction of his own house, together with his team, putting into practice industrial solutions in a context of conventional works.

Where is a 3 bedroom shipping container home located?

The 3 bedroom shipping container home is located in a hill of Porto Alegre, one of the highest points in the city. The landscape unfolds through the large windows towards a preservation area next to the lot, in the swinging and rotating volume of the master suite overlooks the Guaíba River and its unforgettable sunset.

Should shipping containers be used in construction?

In principle, the use of shipping containers in constructions happens in very rational propositions, side by side or stacked, due to the ease of handling these modules.
