

Energy Storage Equipment Exhibition Booth Reservation

When is energy storage International Conference & Expo 2025?

The 13th Energy Storage International Conference and Expo is scheduled for April 10-12, 2025, and will be held at Beijing New International Exhibition Center Phase II.

How many exhibition halls are there at the Energy Expo?

The expo will have 7 exhibition halls, inviting participation from power companies, power generation groups, grid companies, transmission and distribution operators, grid system operators and integrators, new energy manufacturers and investment institutions.

How much does SNEC Expo cost?

oIndoor Raw Space ($\geq 36m^2$) Price: US\$390/m² (AREA: A); US\$360/m² (AREA: B) Procedures of Exhibiting at SNEC EXPO: 1) Exhibitors shall mail the application form (contract) with company's seal to the organizing committee. 2) The principle of booth assignment: "First come, first serve".

Why is energy storage important?

Energy storage is an important component and crucial technique in renewable energy system. It is the basis of realizing the wide application of distributed energy and micro grid, realizing energy interconnection and sharing, and realizing network integration.

2) Energy Storage Products. 3) Battery Charging & Swapping products. 4) Raw Material and Components for all kinds of batteries. 5) Battery manufacturing equipment, testing equipment and instrument. 6) Battery recycling and international logistics. 7) Hydrogen energy and hydrogen energy application area. Booth reservation for WBE 2024 is now open.

Integrated energy storage equipment (such as household energy storage products, integrated industrial and commercial energy storage cabinets, mobile energy storage vehicles) ... AUTO TECH 2024 Guangzhou International New Energy Vehicle Power Semiconductor Technology Exhibition booth reservation is in progress;

SNEC 8th (2022) international energy storage (Shanghai) technology conference and Exhibition. ... After receiving the booth reservation fee, the organizing committee will arrange the booth for the exhibitors according to the booth arrangement principle of "first application, first payment, first arrangement"; ... Wire and Metal Processing ...

Europe's largest exhibition for batteries and energy storage systems. The organizers are Freiburg Wirtschaft Touristik und Messe GmbH & Co. KG and Solar Promotion GmbH: Solar Promotion GmbH. P.O. Box 100 170. 75101 Pforzheim. Germany. Phone: +49 7231 58598-0. Fax: +49 7231 58598-28. E-mail:
