

Greece 40W Solar Street Light

What is a Luxman S3 Series 40 watt solar street light?

This stand-alone solution is designed with a simple but classical appearance for sustainable lighting in your place. Luxman S3 Series 40 watt solar street light with integrated mppt charger utilizes the most cutting edge technology with the high efficient poly PV module, high brightness LED module, stable LiFePO4 battery, and smart controller.

What is a solar street light with motion sensor?

This solar street light with motion sensor provides a three-mode setting, i.e. PIR Sensing mode, Timing mode, and Mixed mode. Unlike over sensitive radar motion or microwave technology which is easily triggered by wind, PIR sensing mode is using passive infrared technology.

What is S3 series 'all in one' solar LED lighting system?

S3 Series 'All in One' solar LED lighting system has adopted all aluminum alloy design with sandblasting oxidation treatment, enhanced solar panel capabilities with an improved design to separately access to LED panel, IP66 waterproof battery box and intelligent controller to make it very effective and quick to implement lighting solutions.
