

Maintaining the continuity and quality of electricity supply is the priority of E-REDES. To do this, we work on the distribution network, and we need sometimes to interrupt the power supply to customers. These interruptions involve manoeuvres, connection work, repair or maintenance of network infrastructure, whenever all possibilities of ...

Senhor Manuel is the little brother of Senhor Uva. This wine bar features a high-class atmosphere and some truly fine wines. Open during the day as a wine shop with a selection of over 250 references from Portugal and abroad. The restaurant also has a small shop section with carefully selected local products like olive oil, vinegars, salts, and coffee.

For warranty issues, it also makes sense to buy in Portugal rather than abroad, even for smaller items like a mobile phone. Thanks to EU law, any appliance bought in Portugal (such as a refrigerator or mobile phone) has to have a two-year warranty. This doesn't just apply to those from the UK and US, but a lot of countries outside of the EU.

In the past, Portugal used two earthed plug and socket systems side-by-side: the German type F system and the type E system that France standardized on. That is why sometimes type E sockets can still be found in older electrical installations. Since both systems were initially incompatible with each other, Portugal decided to settle on one single standard in ...

Feira do Relógio, the most popular market in Lisbon. It is the largest market in Lisbon and its region and, in my opinion, the cheapest of all. Located in a very popular and populated district, the Feira do Relógio takes place every ...
