Matched with a beauty queen like Prague - and without its own Charles Bridge to boast about - Brno is the Czech Republic's perennial underdog. But spend just 24 hours in the country's second-biggest city and you'll quickly discover it has a lot going for it.

Brno is the second-largest city in the Czech Republic. Nestled between the Moravian landscape, Brno's history stretches back over a thousand years and its historic center is a testament to its storied past. Notable ...

Mobile outdoor power supply in Brno Czech Republic

Brno history. That's not to say to avoid the historical areas of reference, the skyline of Brno tells its own stories. The 13th Century Spilberk Castle looks like a typical gothic-baroque fortress outside, but it hides a dark history turned from a Moravian royal palace to one of the most notorious prisons during the Austro-Hungarian Empire.

The company is based in the Faculty of Informatics of Masaryk University in Brno (Czech Republic). Talsec technology has 10 years of evolution and is based on our expertise in mBanking and eGov mobile solutions for the top brands in EU market.
