

Who is the best power supply company in Russia?

In the world of power supplies (PS), it is quite a well-known company on the Russian market. I know that MEAN WELL company is the absolute leader on the PS market. I became curious about comparing these companies.

How much power supplies are imported to Russia?

Table 5. Import of power supplies under the customs codes 8504408200 and 8504409000, in 2018 by distributors and brokers. The import volume of 32 distributors and brokers of electronic components to Russia amounted to \$87 million.

Is mean well a good power supply manufacturer?

According Micro Technology Consultant Report dated March 2017, it ranks number 5 among international manufacturers of (direct current) power supplies. Unlike the commercial model offered by the first five manufacturers designed for ODM/OEM, regular power supplies of the company's own brand account for almost 99% of MEAN WELL's sales turnover.

Why is mornsun a good distributor in Russia?

At present, shipments to Russia account for one third of all European deliveries". Besides the product quality, success of MORNSUN in Russia grounds in fact that here we have a very good distributor - ECO company. All our high sale rates in Russia are due to the work of its specialists.

Who makes mornsun products in Russia?

I should mention that until early 2019, ECO was the only official distributor of MORNSUN products in Russia, having been extremely successful in promoting the leader MORNSUN to the Russian market. ECO company exists since 2004, dealing with supplies of almost PS only. Here is what the company's website tell us.
