Taking care of your own lawn and garden maintenance means making certain decisions about your choices of outdoor power equipment tools. Some folks love their gas-powered mowers and blowers while others prefer electric or cordless tools. Whatever your preference, knowing a little about the various options will help you make the right decisions about yard tech tools.

We needed a new garden tractor for our new house. While I like the big box stores, there's NO support after the purchase especially for a riding mower. Hudson's is a full service shop with significant local rapport. We worked with Daniel Copley to finalize our decision on a Husqvarna TS348D garden tractor. Daniel was open, honest, and incredibly easy to work with.

Xiaomi's new Mijia Outdoor Power Supply has a 1 kWh battery capacity. The Mijia Outdoor Power Supply supports solar charging and a range of AC/DC interfaces. Xiaomi is selling the Mijia Outdoor Power Supply 1000 in China for ~\$688.

Philips Hue Festavia gets a more compact power supply unit. What is even more exciting, however, is that

New Outdoor Power Supply Purchase Guide

Philips Hue is launching a new power supply unit. In contrast to the previously used outdoor power supply, which resembled a small brick, the new outdoor plug-in power supply has a much more compact design.

The main elements, initially evaluated, are the type of power supply and the design, as well as the size and ease of movement of the oven. However, there are also other no less important aspects to know, which sometimes are not adequately taken into consideration, only to have a rethink after the purchase, perhaps with a bit of regret.
