We are Chiang Mai's most trusted self storage company with over 8 years of experience and a solid reputation within the expat and long stay community. o We store your household goods,cars,and motorbikes. o Your goods can be collected and returned when you need them.

Why is energy storage important in Thailand?

Recognizing the significance of energy storage in addressing intermittency and volatility,the country has included energy storage in its energy policies. Sungrow,a leading solar inverter,and energy storage system supplier,is at the forefront of Thailand's solar-plus-storage revolution.

Why should you invest in a solar-plus-storage system?

This energy storage system ensures exceptional safety,durability,and maximized return on investmentfor customers. It has already been successfully deployed in the largest solar-plus-storage project in Southeast Asia,the Super Energy SPP Hybrid project in the Sa Kaeo province,boasting a capacity of 49.01 MW PV and 136.24 MWh energy storage.
