

The Aqonsie solar shed and outdoor light have a four-leaf fan design. This light impressed us for being the most easily adaptable to different settings--we could use it indoors, outside, or in the barn, as it comes with a long 16.5-foot cable to connect the panel to the rest of the light, and its leaves can be adjusted to face different directions.

Our customers have not just used our solar powered lights for their home or in the garden but used them for camping, caravans, barns, horse stables, chicken coops and even boats. 227 Items .
