Located in Ho Chi Minh City, Vietnam Sourcing provides a one-stop solution, from product specification development to shipment consolidation. They specialize in sourcing components made of metal, rubber, and plastic.

The company HQ is based in Ho Chi Minh City. Given the relatively small size of the company, setting up a meeting will not difficult but Vietnam is not known for fluent English speakers so you may have a problem.

But with the world getting closer, this seems like a fixable issue. The company sells even for relatively small container sizes.
