CTP insurance is regulated by the Government; this means we submit our prices to SIRA for approval. To calculate our CTP premium, we consider various rating factors such as, but not limited to the vehicles age, make/model and shape, the driving history for all drivers of the vehicle, motor insurance history for the vehicle, the registered usage of the vehicle, and the ...

Freshness is a big thing in Samoa's food culture which means the locals like to buy their seafood in the same way they buy their fruits and vegetables - straight from the source. From as early as 5.30am, the outdoor Apia Fish Market is open every single day selling the daily catch brought in by the local fisherman.
