allowed for your 12V outdoor security cameras. Also note that by applying the power adapters and extension cables ...

Ultra is a house brand (Tigerdirect I think), most of their PSU's are mfg by Andyson, a low quality OEM. There are exceptions, but generally the purpose of house brands is to hit an attractive price point while providing a higher profit (than a comparable name brand) margin for the seller. When this is the case, the consumer does not benefit.
